Job Qualifications and/or Special Requirements

Lake Country School is seeking a 4K Stay & Play Teacher. Experience working in a school, daycare, or preschool setting is a must. Candidate must be a self-starter, flexible to meet the needs of students in a fast-paced school-age program, and have excellent communication skills.

Duties

1. Create, facilitate, and lead lesson plans for children in the 4K Stay & Play Program that integrate writing, reading, community service, arts and crafts, science projects, games, and music into the program.
2. Supervise and manage students providing a warm and safe environment.
3. Effectively communicate with parents/guardians.
4. Work well within a team to provide a well-managed and professional program.
5. Organize enrollment and coordinate student schedules.

Degree/Licenses:

Preferred candidates will have a license issued by the Wisconsin Department of Public Instruction, a certificate from The Registry indicating that the person is qualified as a childcare teacher, or equivalent. (DCF 251)

Additional Requirements:

Apply through WECAN #

Resume, Letters of Recommendation, Transcripts & Licenses/Certifications

About Lake Country School

Lake Country School District serves students in grades 4K-8. We continue to be a leader in educational excellence as evidenced by our exceptional test scores and commitment to low student-teacher ratios. Our mission is, “to inspire all students to reach their highest potential by providing a tradition of academic excellence and innovative thinking within a supportive community.”
